I have two small children that absolutely love going to your facility. My two boys always ask me to take them there whenever your commercial pops up on our tv. I also have a 5 month baby girl. My three year old recently had surgery and he was very nervous. I told him that once the surgery was over and he was able to go out and play we would take him to Chuck E. Cheese. He was all smiles. I took him a week later and he had a blast. He has been asking to go back every day since then. Unfortunately I was out of work for a few months and things have been rough and will most likely not be able to take him back for a while. I wanted however to take the time to let you know that we love going to your facility. My kids always have a blast and of course the pizza is amazing. I hope you have a happy holidays and thank you for such great entertaining when we are able to go.

I'm not sure I am writing the correct place but I want to take the time to praise the management and staff of the Muncie, IN location. We had reservations at another local facility (escapades) for my daughters 9th birthday party and that place failed to let us know that they were going to be closed for renovations after we had already placed a deposit for the party. Needless to say we scrambled to find an alternative location for our party and Chuck E. Cheese went above & beyond to accommodate us and make sure our little girl had an awesome 9th birthday party. We truly appreciate everything the staff and management did for us. I'm hoping writing this reaches the right people so the staff of this location gets recognized. We are definitely Chuck E. Cheese fans for life. Thank you!

I just wanted to say that our host was the best! She was so helpful and helped us with everything we needed she never skipped a beat when it came to her job. It was my son Timothy and nephew Jeovanni's birthday and I can say she was on her job and you can tell she loves her job and she loves kids. I couldn't tell you how grateful I was to have her as our host. The manager was also really good I can say out of everyone there, these two love their jobs and love the kids I want to say thank you so much they made our experience at Chuck E. Cheese the best and we will be back considering this was our first time ever having a birthday party there for our kids and they made it to where we will be back for many more birthdays.
